

Are you helping a relative who has memory problems?

Are you the *grandchild, brother, sister, niece, nephew, or step-kin* of this relative?

We invite you to share your story with us!

CareEx is a telephone-based research project designed to understand the experiences of extended (non-immediate) family members who help a relative living with dementia

Time Commitment:

1 Initial telephone Interview (~70 mins)

15-20 min. telephone interviews on 8 consecutive evenings

\$110 in compensation for full participation

You may be eligible to participate if

- ✓ You are 18 years or older
- ✓ Live in Virginia or surrounding states
- ✓ Your relative does not live in a nursing home or assisted living
